## **Florida Overtakes Top Spot in College Women's Rankings**

BOULDER, Colo. – Florida overtook the top spot this week in the Ultimate Player's Association (UPA) College Ultimate Women's rankings. Florida went undefeated while winning College Southern's this past weekend, overtaking idle Wisconsin for the No.1 ranking.

Florida's move into the top spot makes them the third different team to hold the No.1 ranking this season. Wisconsin and NC State (No.5) were the other two teams to hold the position.

With the top four teams separated by less than 100 points, there could be more shifting in the rankings before their next release as all four are all slated to compete in College Centex this weekend.

Illinois was the big mover, going from being unranked to No.13. Tufts also moved into the Top 25 for the first time this season, moving from No.30 to just ahead of Illinois at No.12.
